RFC 9282

Responsibility Change for the RFC Series

Abstract

In RFC 9280, responsibility for the RFC Series moved to the RFC Series Working Group and the RFC Series Approval Board. It is no longer the responsibility of the RFC Editor, and the role of the IAB in the RFC Series is altered. Accordingly, in Section 2.1 of RFC 2026, the sentence "RFC publication is the direct responsibility of the RFC Editor, under the general direction of the IAB" is deleted.

Status of This Memo

This memo documents an Internet Best Current Practice.

This document is a product of the Internet Engineering Task Force (IETF). It represents the consensus of the IETF community. It has received public review and has been approved for publication by the Internet Engineering Steering Group (IESG). Further information on BCPs is available in Section 2 of RFC 7841.

Information about the current status of this document, any errata, and how to provide feedback on it may be obtained at <https://www.rfc-editor.org/info/rfc9282>.
