and Jack Alien/Avantgarde.

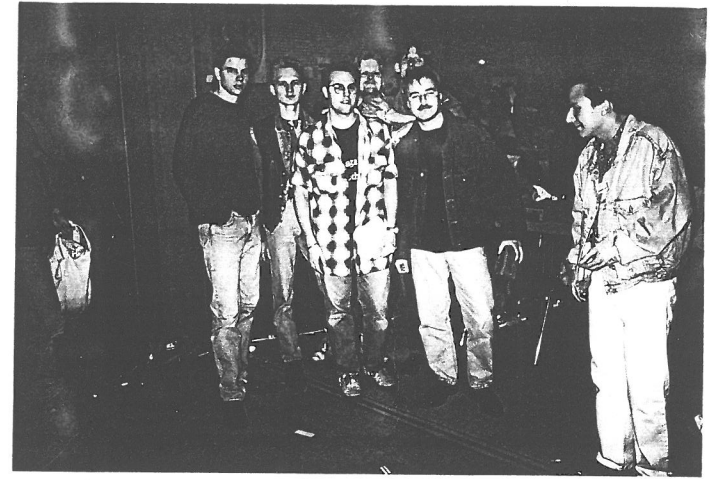

3 X RACCOON

Here are three photos of the very friendly German RACCOON/MOTIV8, starting with himself as a UN soldier.

3 X RACCOON

PARTY WACKOS

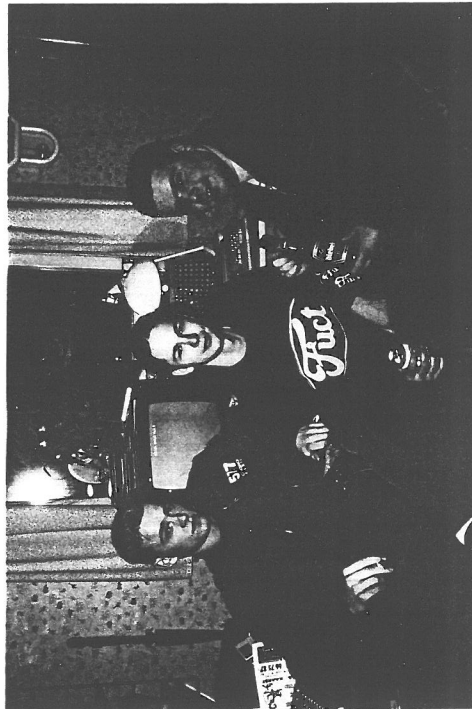

Now in for some five pages of party visitors! This one features some AVANTGARDE members, like PBXCELLENT, NEVIS, JACK ALIEN, DARKLORD and THORN.

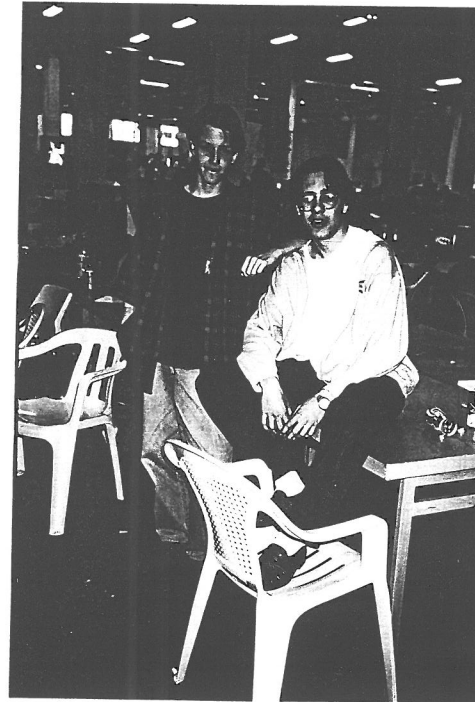

PARTY WACKOS

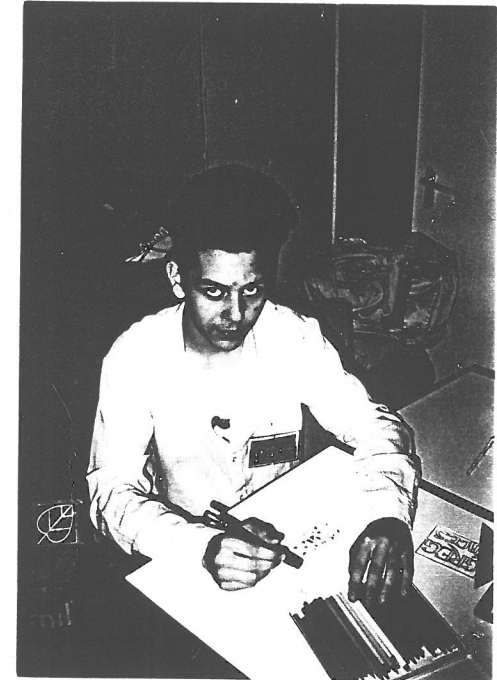

Here he is with his girlfriend Jacqueline. You should recognise who is who, right?

CURLIN, PEACEMAKER and Racoon at a local meeting or something like that. All three of them are in Motiv8 ofcourse.

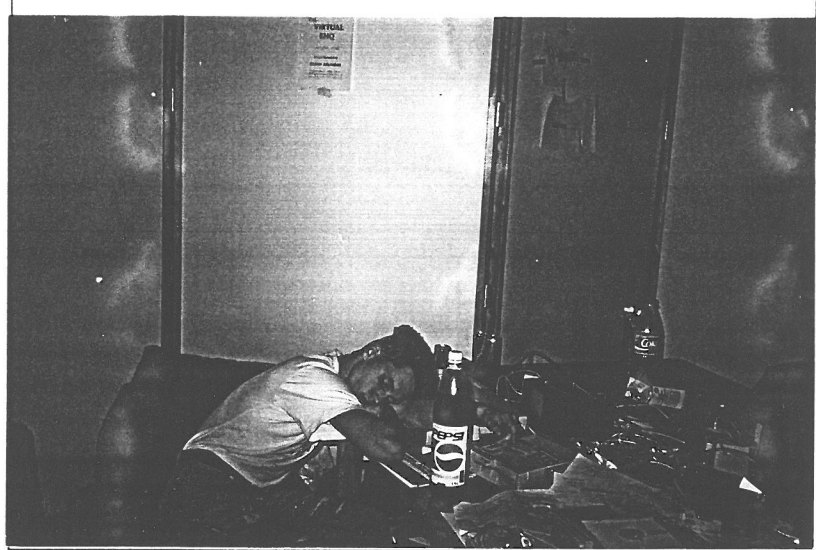

Here are either JOE/ANTIC and ED/WRATH or ED/WRATH and JOE/ANTIC... Anyway, next to them is BLACKDROID/WRATH.

COP/FACES making a partycard and showing off with his pencil collection.

PARTY WACKOS

What an ironic picture this is. This is CHARLIE/VARSITY in a deep sleep in Aars '92. If he only knew he was going to be killed in a car accident five months later. I will never forget him, and I hope you won't either.

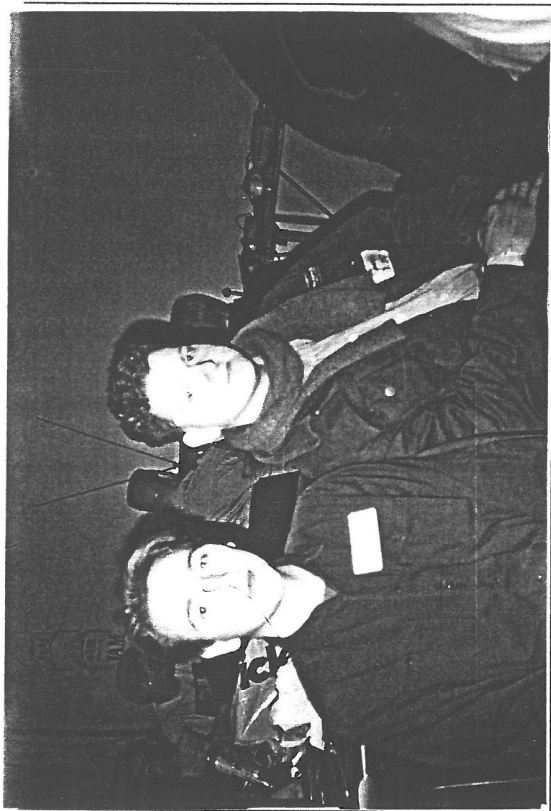

PARTY WACKOS

PARTY WACKOS

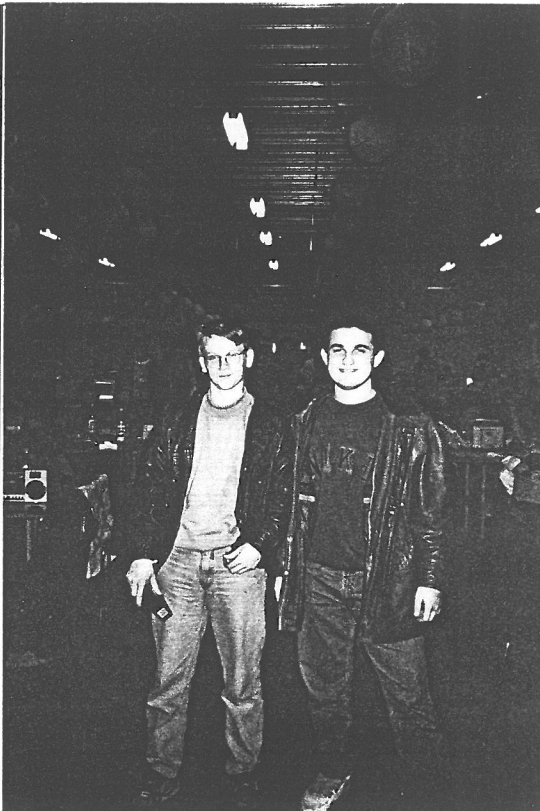

A happy couple. CODE 18/TRC/TRANCE and LUKA/EXCESS in perfect symmetry at TCC '93.

PARTY WACKOS

A couple of collected guys at The Party II: BAZE/ILLUSION and COMMUNIST/TALENT.

A forgotten photo that should have been included in my photo album from The Party II: ANS/SPIRIT and the guy who travelled from Turkiye to get there, SMILE/CLIQUE.

Not a razorsharp photo, but still we see that it's GERWIN/FAIRLIGHT.

Weirdlooking TGI/PARALYZE having a meal together with RRR/OXYRON at TCC '93.

PARTY WACKOS

A whole bunch of NOICE'rs. I only recognise guys 3 to 5, namely DECODER, DEVIL and STASI.

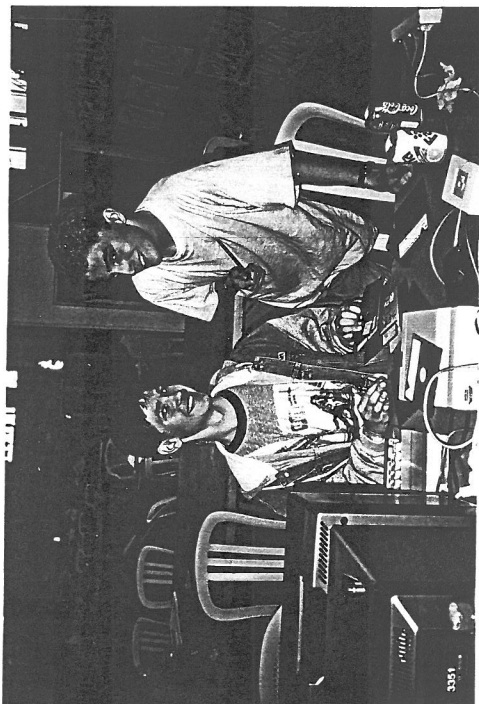

PARTY WACKOS

PARTY WACKOS

Some BRONX/X-FACTOR members put up their equipment on the ferry heading for TCC '93.

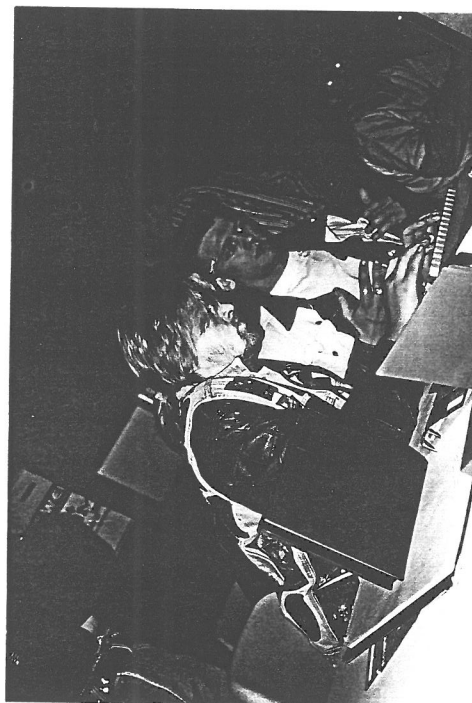

PARTY WACKOS

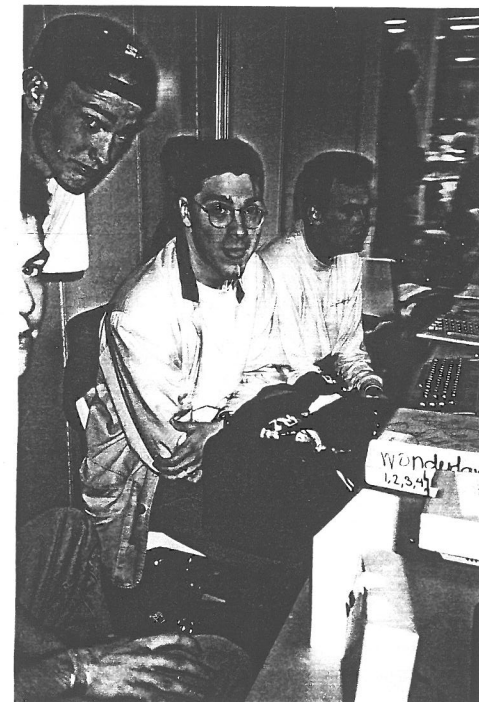

TWOFLOWER and DANE, at that time members of TWILIGHT. Later they joined TRIAD, as we all know.

A great musician he is, T. ERROR/COMIC PIRATES. If i remember correctly he is also a member of the musiclabe THE IMPERIUM ARTS, T.I.A.

Jack Alien/AVT, RENEGADE/EXCESS and in the background ANONYM/PADUA, all visitors of the Smash+TRSI party in Frechen.

A blurred photo of a famous musician, DANKO/CENSOR. The surprised face of Stasi/Noice is popping up to the left, and the right GURAN/CENSOR is looking rather stunned.

FULL PAGE OF MENDRAKE

For your eyes only, a whole page packed with photos of MENDRAKE/FAIRLIGHT!
Here a shot from his visit in England: Himself, JOKER/SACRED and an Amiga chap from QUARTEX.

OXE-IRON

Now for some crazy OXYRON shots! I don't know if the weather conditions were a bit windy at the time this photo was taken, or do they have weird hairspray habits? Ask PEACE, MACHINE, GRAHAM, AXIS or TTS about that.

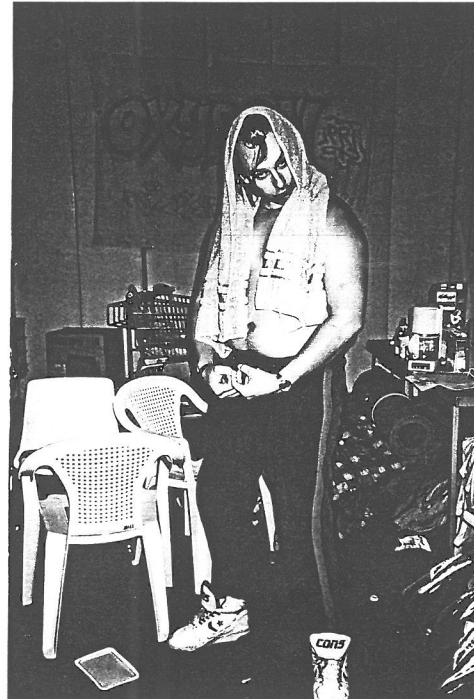

OXE-IRON

This is not Mendrake, but his girlfriend Jennifer standing in front of a church or something. Speaking of churches, they will marry eachother!

Here he is in his right element, surrounded by girls! But be careful after your marriage, or you will get into serious trouble.

How about this serious posing gesture from BIZ KID? Well, he's also known as BISCUIT, so...

The most disgusting way to commit suicide?

OXE-IRON

Here, TTS, Biz Kid, DEATH/TOPAZ, SLIDE, Graham, Peace and Machine are making their way onto the ferry to TCC '93 in a ferocious way.

THE TRIBUTE '94

Some rather fresh photos from the "antclimax" Tribute 1994 party. Here we see one of the organisers Jack Alien/Avantgarde surrounded by... who? Guess that if you can!

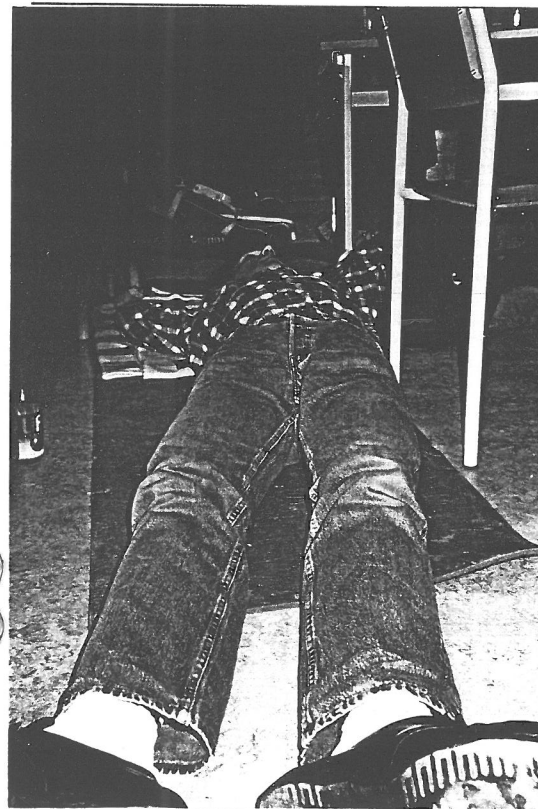

THE TRIBUTE '94

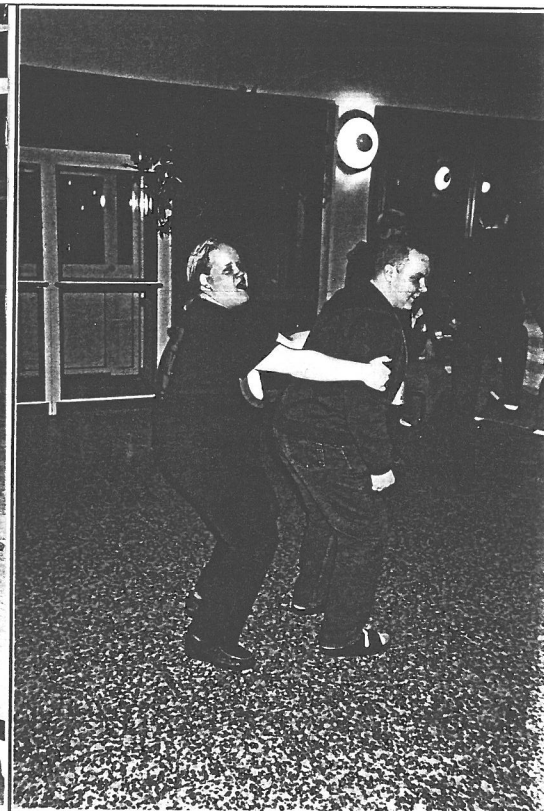

...and the partying started immediately, which RRR proudly proved.

What about this for a bear hug? Biz Kid and TTS (Te-Te-Ess?)...

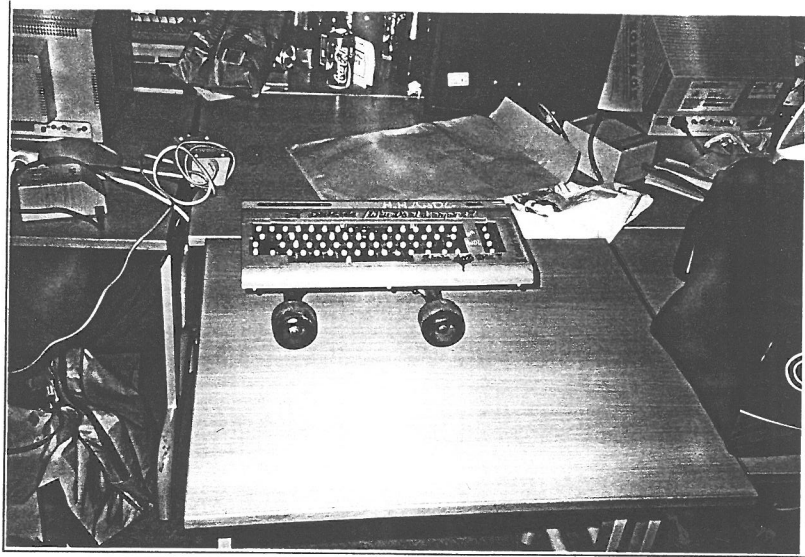

A shot from the first night when XOR/ANTIC fell asleep without reason (which means, he wasn't drunk). So why not rev up the camera?

So THIS is what G*P do at parties? I sneaked up on MOTLE and JUCKE when they were busy with dirty deeds. G*P - FUCK (AT) THIS PARTY!

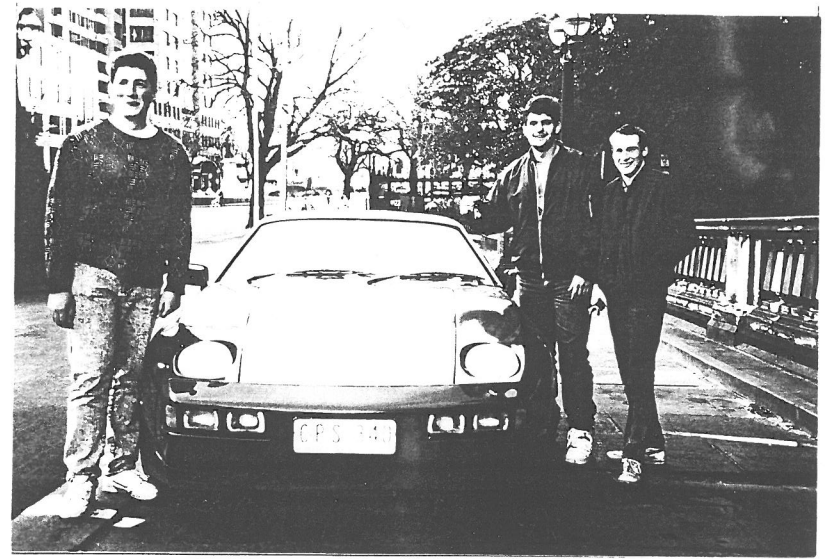

THE TRIBUTE '94

Such a thing can only come from Norway; a fully usable C64 skateboard!

OLD SHOTS - COOL GUYS

Here are a couple of pages of old photos! Starting off with one featuring THE ANARCHIST/ASGARD, PHOENIX and OLORIN/ASGARD surrounding a neat car. Can it possibly be theirs?

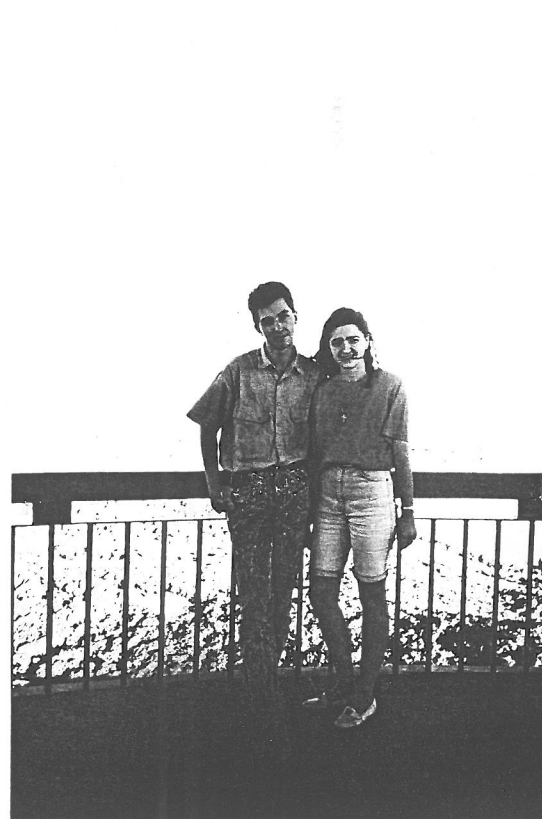

OLD SHOTS - COOL GUYS

Here I am in the middle with KRISTIAN ROSTOEN/SHAPE to left and GLENN/SHAPE to the right. Glenn is also responsible for the best fakelabel group ever, RADBREKKJERS.

A couple of the fabulous BYTERAPERS: In the middle MR SE and to the right DR DICK. Mr Sex ought to change handle to Mr Puke, he threw up already on the bus to the party! The left

Two lovebirds: MATT/TERA with girlfriend, high up in a tower in Canberra, Australia.

A nice but still weirdlooking COLWYN/THE FORCE. Those were the days!

OLD SHOTS - COOL GUYS

RUNDTURENS *Folkets* PARKS Orkester TÄVLAN 1963

Here is the absolute highlight of this photoalbum. This photo is over 30 years old, and who could it be on the right if not JERRY/TRIAD in his previous career as a musician. Imagine, 30 years ago!

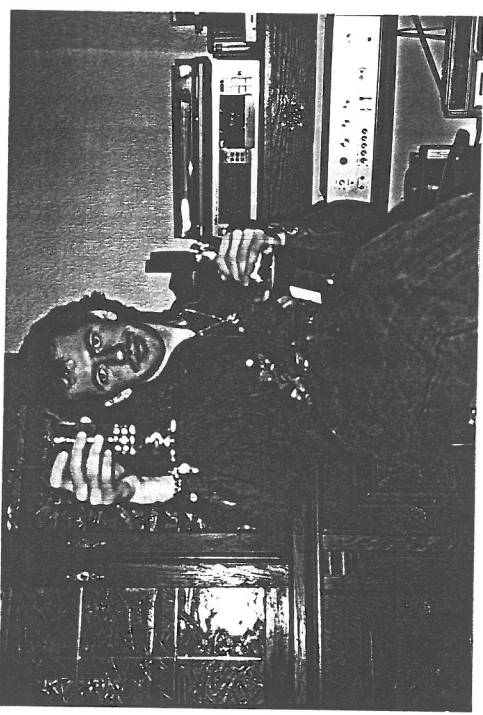

OLD SHOTS - COOL GUYS

PHOTOS THE NORWEGIAN WAY

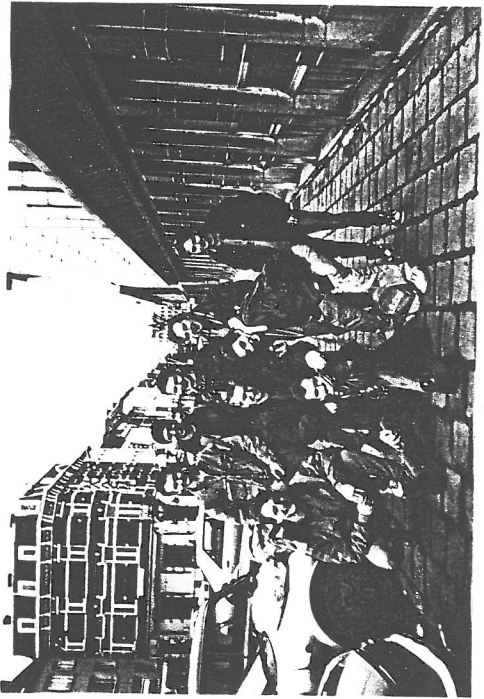

Some pix of Norwegian sceners. These are also quite old ones from 1990. Here are SVENTY/FULL FORCE and FRODE/MEGASTYLE INC.

PHOTOS THE NORWEGIAN WAY

Are we a little drunk, or what?
"We" is no one else than EFFY/THE GUARDIAN ANGELS.

Lotsa guys here! Standing: Douglas/F4CG, Lenine/F4CG, Zed/WOW, Hobbit/Transcom, Dash/F4CG. Half standing: Matthew Star/Role, Scorpie and Reset/Transcom. And the sitti

I don't see what he sees in that Pink Floyd cover that makes him look like that. Well, Norwegians ARE weird, and HENNING ROKLING/PANORAMIC is just another proof of that

On this one we see BJORN ROSTOEN/PANORAMIC waking up after a night's sleep at his cousin Kristian Rostoen's place.

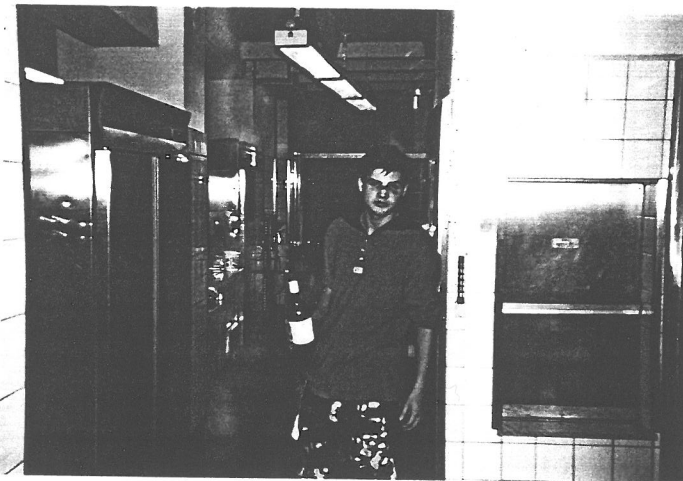

DIFFERENT WEIRDOS

Two minds, two sceners, two thinkers, two weirdos, RAZ/CAMELOT and Biz Kid.

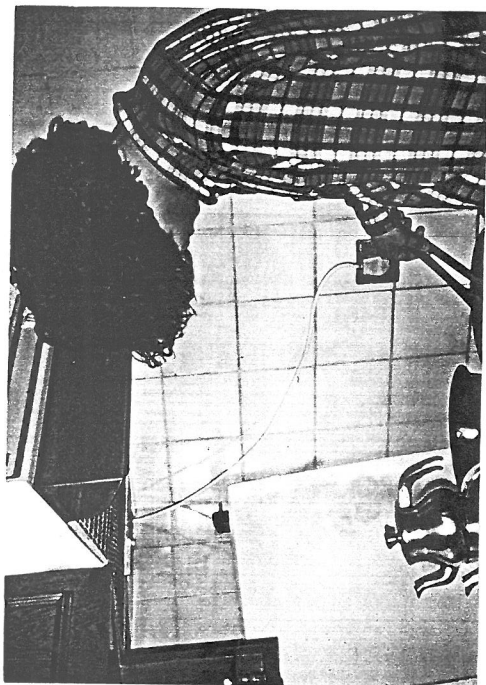

DIFFERENT WEIRDOS

DIFFERENT WEIRDOS

This photo was sent to me by Mendrake, and it features KAHLKOPF/END*SIEG just after a fight. Is he cool, or what?...

DIFFERENT WEIRDOS

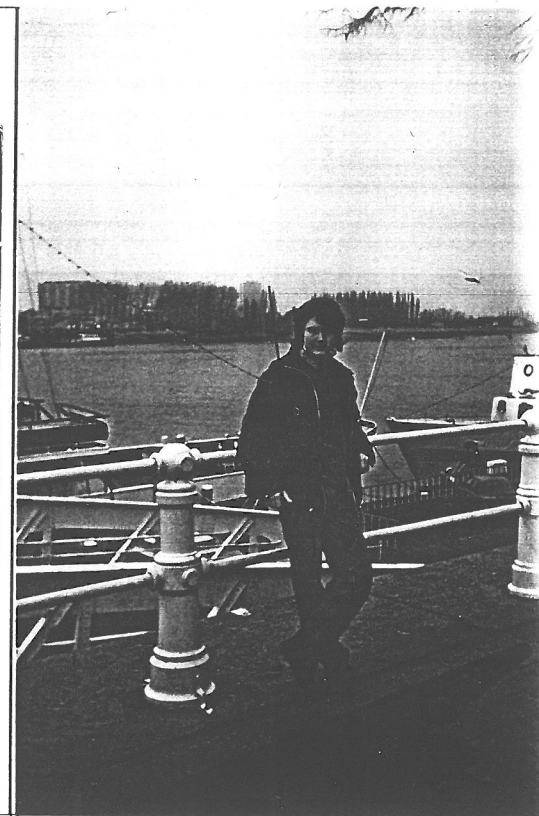

A very very special photo indeed! Here is THE BOSS/ACCURACY in food cooking mode. What's for dinner? Swedish meatballs!

A hot surfin' shot of JAZZCAT/LEGEND. Don't we all wish we could live in Australia?

Another threatful character. This time in a more friendly way by one of the few girls in the scene, STARLIGHT.

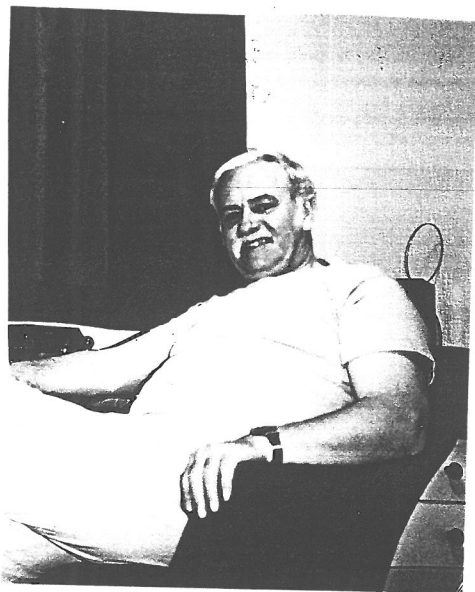

The Belgian swapper and friend STORMLORD/ANTIC/WOW. Photo taken in Antwerp 1993 by Einstein/WOW.

DIFFERENT WEIRDOS

Isn't that special? Four BATTERY members on the same photo! From left to right SOLAR, GOTHIC, TROJAN and HAWKEYE.

DIFFERENT WEIRDOS

Well if it isn't one of the seniors of the scene, DERBYSHIRE RAM/AVANTGARDE. A great swapper and friend, and also known for his cracking.

I saved the best for last. The photo you've been waiting for all your life! If you don't recognise me in that tuxedo, I don't blame me. The first and last time I ever wore one.
